

These are the selected DIME Teams by organization, city and state. All these teams will build an experiment for the NASA Glenn 2.2 Second Drop Tower. The Tier I teams will be invited to send four student representatives and an adult advisor to Cleveland to operate their experiment in the drop tower. The Tier II & III teams will send their experiments to NASA Glenn for the NASA staff to operate them in the drop tower. Data for the experiment operations will be provided to the associated team for them to analyze and create a final report.
